Thank you for choosing Dentistry by Design for your comprehensive dental needs. We are a progressive dental office with state of the art equipment allowing us to properly assess and treat all your dental needs.

Kiran Satashia, D.M.D.

Remember that good dental health is directly related to good overall health.

At Dentistry by Design you will experience a warm welcome from all of our team members, who are well educated and experienced professionals. Our dental team is trained fully in their personal responsibilities from hygiene, procedural duties and pay extreme attention to detail when it comes to the sterilization and safety guidelines. We take much pride in our work and are here to help you maintain a healthy smile. Our office manager is fully aware of the special needs of insurance companies and will do her best to work with them to maximize your benefits.

Your comfort is our first concern, please feel free to contact us so that we may strive to provide you with a pleasant visit.

At Dentistry by Design you will experience a warm welcome from all of our well educated and experienced team members. Our dental team is fully trained in their responsibilities, paying close attention to all safety guidelines. In addition, we take great pride in our work and are here to help you maintain your healthy smile.

Our staff will provide a full explanation of all necessary procedures. Your comfort and knowledge of all your dental procedures are our first concern. A personalized treatment plan will be designed for you at no additional cost, at the time of your initial visit. Please feel free to contact us for more information.

Dr. Satashia takes a personal interest in all her patients which comes across through the satisfaction that is exhibited in her patients.

Kiran Satashia D.M.D.

Dr. Kiran Satashia graduated from Temple University School of Dentistry, where she received an Academy of General Dentist Award for the highest overall proficiency in restorative work. She earned her Bachelor's degree in Chemistry from Beaver College (now Arcadia University) in 1996, where she was named to the distinguished Dean's List. She is a member of the American Dental Association, PA Dental Association, Academy of General Dentistry, and Bucks-Mont Dental Society. Dr. Satashia actively participates in continuing education to provide you with the benefits of the latest techniques and procedures. Dr. Satashia was raised in Lansdale, PA and she currently resides in Bucks County with her family.
